

hp HP 2710m 27-inch Diagonal HD Ready LCD Monitor

Indulge in the Spacious Dimensions

Maximize and treat yourself to the 2710m 27-inch Full HD² monitor for lifelike screen quality. See more, do more and have more fun on the 27-inch screen.

Experience the Wide, Expansive View

Take advantage of the generous dimensions for a more visual computing, movie or online gaming experience:

- Enjoy the wide 27-inch screen for all your computing activities.
- View more of a web page, reduce scrolling or easily edit on this large screen.
- Multi-task and increase your productivity – Pull two application windows up at the same time.
- The 2710m screen will easily fit your applications on one screen.

Admire the Crisp Clarity

Whether you are viewing work or photos, surfing the Internet, playing online games, or watching a movie, get remarkable, crisp clarity with:

- Ambient Light Sensor combined with 400 nits of luminance adjusts the brightness to the overall lighting conditions providing a brilliant picture and saving energy in the process.
- Full HD1 1920 x 1080p maximum resolution
- 60,000:1 dynamic contrast ratio and 16:9 aspect ratio for deeper blacks, brighter whites and subtle colors
- HP BrightView technology for sharper images and reduced glare
- 2.5 ms Gray-to-Gray response time to reduce blur while enjoying sports, action movies or online games
- 92% color gamut for more vivid color

Design for Your Digital Home Center

Let the 2710m monitor be your digital home centerpiece for all your digital life. The seamless, slim, glossy black design with the HP Helium base complements all HP PC desktops, notebooks or netbooks and provides tilt and swivel features for the perfect view. Save space with keyboard parking and cable management, while enjoying the incredible sound quality with the invisible integrated HP Power Sound. And, de-clutter your desktop with the HP Easy Clip accessories.

Connect to all your Digital Life at Once

Easily connect to your PC, notebook, and netbook all at the same time. The HDMI audio-video input allows you to enjoy your HD² content fast, while the VGA and DVI-D (with HDCP) ports let you connect to multiple PCs to display your digital content.

Award-Winning Support

Rely on HP for award-winning 24/7 service, advice and support. Get prompt service from a support technician with real-time chat and e-mail responses.¹ Additional coverage is available from a wide range of optional enhanced service plans.

THE COMPUTER
IS PERSONAL
AGAIN.
